

Help Save Our Trees and MORE at Truxtun Park!

Save Our Trees

Join **Save Our Trees** and **Mid-Atlantic Off-Road Enthusiasts (MORE)** to restore Truxtun Park

Join us in revitalizing our park's natural beauty in this new collaboration. Save Our Trees will be cutting invasive vines from trees, and MORE will be completing a natural surface trail that reduces damage to environmentally sensitive areas. Bring gloves, loppers, hand saws, water and bug spray. Wear long pants and long-sleeved shirts. No experience necessary. Meet at the parking lot by the boat ramp, near the skate park (900 Truxtun Park Road).
