

Save Our Trees

Help Save Our Trees at Truxtun Park!

Join **Save Our Trees** at Truxtun Park to remove ivy

English ivy is killing our trees and threatening our forests. Gather to remove ivy and revitalize the forest. Bring gloves, loppers, hand saws, water and bug spray. Wear long sleeves and pants. No experience necessary. We will teach you. Bring a friend!

We will meet at the parking lot near the Truxtun Skate Park (past the entrance to the swimming pool) at 300 Truxtun Park Rd. (off Primrose Rd.) in the parking lot for the boat ramp.

March 29, 2025, 9:45 am – noon
